The district is established to provide locations for industrial development in GMAs 1, 2, 3 and 4 and Metro Activity Centers.

GENERAL SITE INFORMATION	
Location	West side of Union Cross Road, between Carl L. Clarke Road and Axle Drive
Jurisdiction	Forsyth County
Site Acreage	± 70.5

Current Land Use	The site has most recently been used for agricultural purposes. Two existing single-family homes and their associated accessory buildings were recently demolished.					
Surrounding Property Zoning and Use	Direction	Zoning District			Use	
	North	AG and IP			Undeveloped property and Glenn High School	
	East	AG			Single-family homes across Union Cross Road

Rezoning Consideration from Section 3.2.15 A 13	Is/are the use(s) permitted under the proposed classification/request compatible with uses permitted on other properties in the vicinity?					
	The proposed LI uses are compatible with the uses permitted on the adjacent IP and GI-S properties and less compatible with the low-density residential uses permitted on the adjacent AG properties.					
Physical Characteristics	Farmland with generally favorable topography characterizes a majority of the site. The site also includes some wooded areas, along with Swaim Creek and a pond located in the central portion.					
Proximity to Water and Sewer	Public water lines are located beneath Union Cross Road and Carl L. Clarke Road. Public sewer is available from Axle Drive.					
Stormwater/ Drainage	No known issues.

Area Plan Recommendations	<ul style="list-style-type: none"> • Area recommended for industrial development. • This plan recommends the consolidation of industrial uses at existing locations as well as the development of possible new industrial sites. • New and redeveloped industrial uses should be designed in a manner that makes them compatible with nearby residential uses. 			
Site Located Along Growth Corridor?	The site is not located along a growth corridor.			
Site Located within Activity Center?	The site is not located within an activity center.			
Rezoning Consideration from Section 3.2.15 A 13	Have changing conditions substantially affected the area in the petition?			
	No			
	Is the requested action in conformance with <i>Legacy 2030</i>?			
	Yes			

Analysis of Conformity to Plans and Planning Issues	The request is to rezone a large farmland tract from AG to LI-L. The <i>Southeast Forsyth County Area Plan</i> recommends industrial land use for the site, which is located across Axle Drive from the Caterpillar site (zoned GI-S). To minimize potential visual impacts along Union Cross Road, the developer has agreed to provide the same landscaping treatment as installed along the Caterpillar site frontage.	
CONCLUSIONS TO ASSIST WITH RECOMMENDATION		
The request is consistent with the industrial land use recommendation of the <i>Southeast Forsyth County Area Plan</i> .	The request would remove the agricultural zoning from a large tract of farmland.	
The site has frontage on a four-lane, median-divided road with ample capacity.		
The site is served with public water and sewer and is located adjacent to other industrially zoned properties.		
SITE-SPECIFIC RECOMMENDED CONDITIONS OF APPROVAL		
<p>The following proposed conditions are from interdepartmental review comments and are proposed to meet codes or established standards, or to reduce negative off-site impacts:</p> <ul style="list-style-type: none"> • <u>OTHER REQUIREMENTS:</u> <ol style="list-style-type: none"> a. Developer shall record a negative access easement along the frontage of Carl L. Clarke Road. b. Proposed Rezoning Notice

Dear Neighbor,

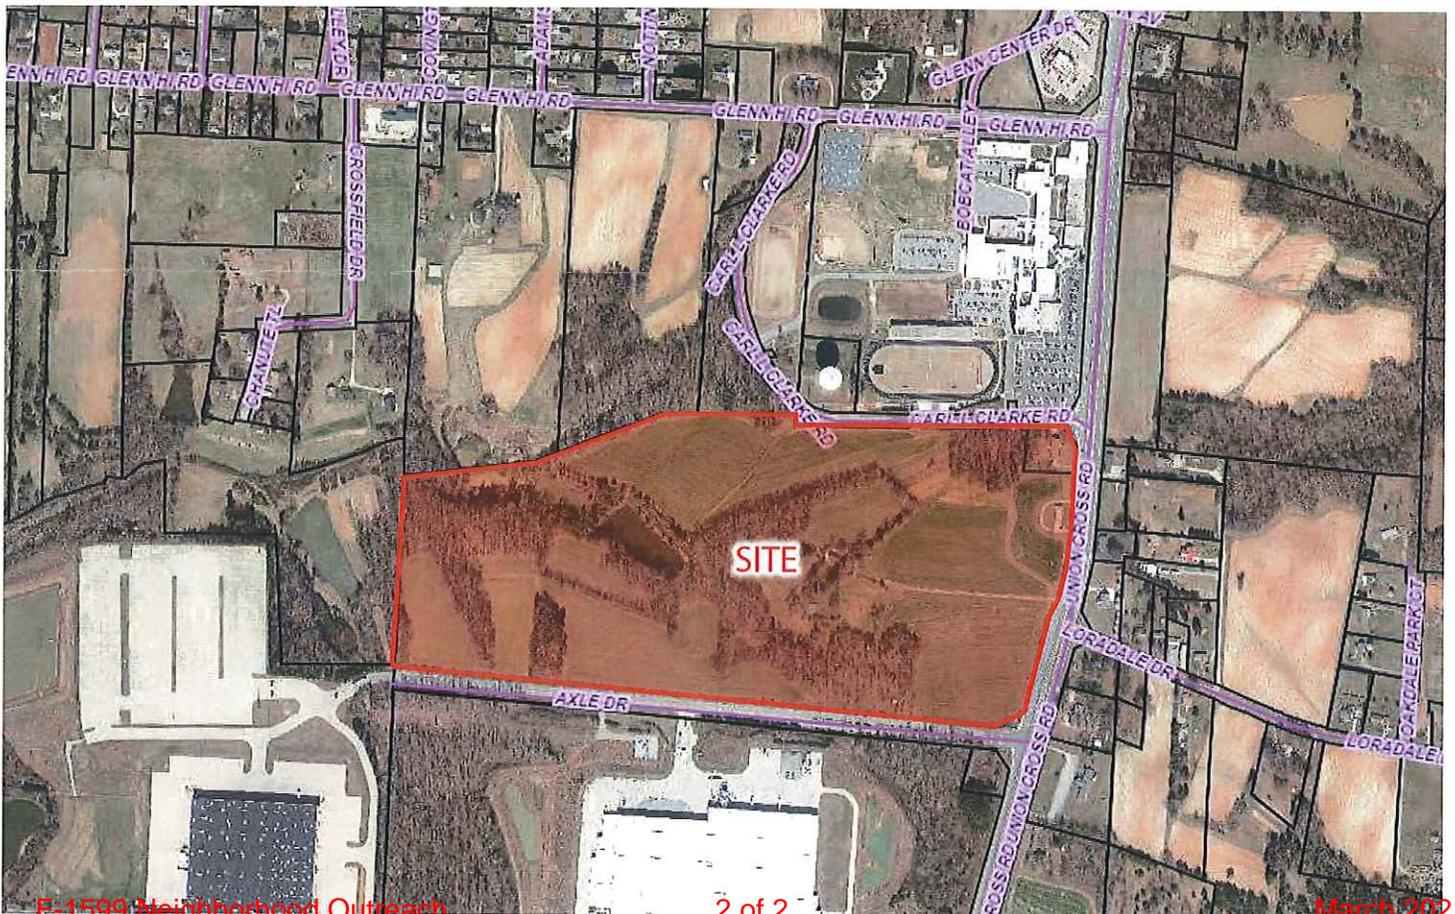

You are receiving this notice for the rezoning of an approximate 70-acre site on the west side of Union Cross Road between Glenn High School and Caterpillar for a future industrial development. The site is proposed to be annexed into the City of Winston Salem and rezoned from Agricultural District (AG) to Light Industrial – Limited Use (LI-L). The Southeast Forsyth County Area Plan adopted in 2013 proposes that this site be developed for industrial uses. The proposed uses for the site will be the same as the Union Cross Industrial Center located off Temple School Road. A condition will be placed on the site to not allow access onto Carl L. Clarke Road.

Normally, the petitioner would hold a neighborhood drop-in meeting. However, due to the COVID-19 restrictions, holding a meeting is not feasible at this time or in the foreseeable future. If you have any questions or concerns regarding the proposed rezoning, please contact the petitioner’s representative, Luke Dickey with Stimmel Associates. You may also contact Council Member James Taylor, or The Community Assistance Liaison for the Southeast Ward; Yolanda Taylor.

Luke can be reached at (336) 723-1067.

Council Member James Taylor can be reached at (336) 757-2110 or jamestjr@cityofws.org

Yolanda Taylor can be reached at (336) 408-8618 or yolandat@cityofws.org
