Adult Summer Reading (18 years & older).....	Page 15

SUMMER READING GUIDELINES

-  Summer Reading 2019 is scheduled to run June 7- July 27, 2019.
-  All Summer Reading programs are FREE and open to the public, but some require registration or participation release waivers. All participation release waivers for children will need to be signed by the child's parent or legal guardian.
-  Please call the library branch location of the event you wish to attend for more information and to register.

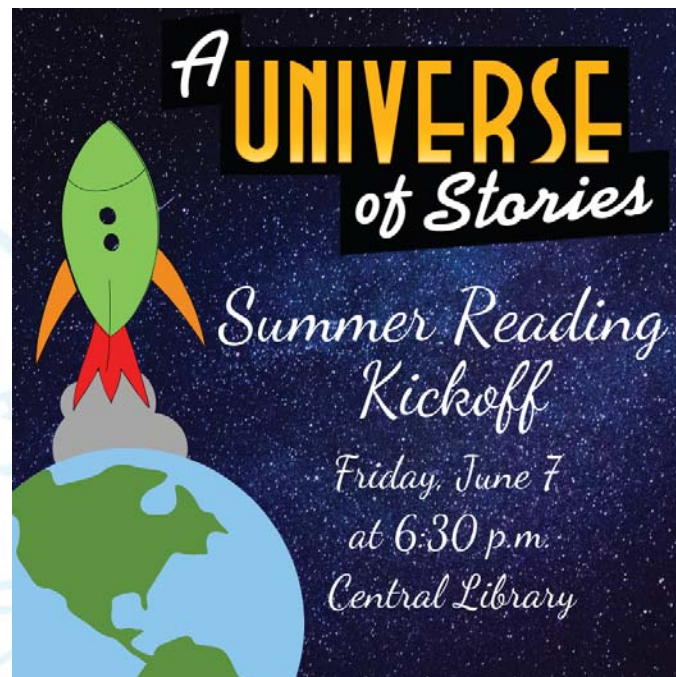

ONLINE REGISTRATION GUIDE

1. Go to www.forsythlibrary.org
2. Click the Events tab
3. Select Summer Reading
4. At the top right corner, click Register
5. Fill out the registration form and submit

WHY SHOULD YOU READ THIS SUMMER?

Log your reading times and get entered into a drawing.

Thanks to our Friends of the Library organizations and Bookmarks for donating gift card prizes this year. All locations will host drawings for prizes on August 9, 2019. Be sure to register by reading 480 minutes (children) or by reading 3 titles (teens and adults). To be included in the drawings, all paper and online reading logs must be completed and turned in by Saturday, July 27, 2019. Complete multiple reading logs and enter as many times as you like. Good luck and happy Summer Reading.

FEATURED ADULT PROGRAMS

Music Concerts at Walkertown Branch Library

June 29 at 1 p.m. - "Constellations" Jazz Classique Music Concert
A blend of classical and jazz featuring musical masterpieces performed by Jazz Classique quartet. Jazz Classique is a quartet that blends classical music with techniques from jazz and blues improvisation. Musicians include John Mochnick on piano, Matt Kendrick on bass, John Wilson on drums and Roberto Orihuela on vibraphone.

See page 9 for details.

Malloy/Jordan East Winston Heritage Center
1110 E. Seventh St., Winston-Salem, N.C. 27101
(336) 703-2950

June 4 at noon - Galaxy Crafts

Create your very own galaxy, then turn it into a piece of art or a bookmark.

June 10 at 11 a.m. - DIY Flashlight Constellations

This DIY flashlight constellation is perfect for any mini stargazer to enjoy at any time of the day or night.

June 15 at 11 a.m. - Space Technology Series: Air-Powered Rockets

Build a rocket from recycled materials, harness the air around you, and watch your rocket fly.

June 17 at 11 a.m. - Solar System Crafts

Channel your inner scientist on how to make a scale model of the solar system.

June 18 at 3 p.m. - Bright Star Theatre: "One Small Step"

See page 9 for details.

June 21 at 11 a.m. - Science Friday: Exploding Foam

Mix it, squish it, build it, and then watch it explode.

June 21 at 3 p.m. - Science Friday: Kinetic Sand

Using everyday household items, you'll make sand that you can shape, cut, and mold the way you want.

June 22 at 11 a.m. - Discovering New Planets

Go on an interactive journey with NASA Ambassador, Annette Horsley. Become an astronaut and explore the galaxy in search of new planets.

June 24 at 11 a.m. - Build your own planet

Get ready for some out-of-this-world fun. Use your imagination to build your own planet and superhero.

June 25 at 11 a.m. - Star Wars: Arts & Crafts

Stormtroopers, ewoks, and wookies, oh my. Build your own furry companion or make a soft and cuddly stormtrooper out of felt.

July 1 at 11 a.m. - Moon Rocks

Make your own edible moon rocks from rice cereal while we imagine what real moon rocks taste like.

July 5 at 11 a.m. - Science Friday: Rainbow-in-a-Jar

Find the end of your own rainbow. Make one you can hold in your hands.

July 8 at 11 a.m. - Galaxy Sensory Bags

Create your own galaxy in a bag, perfect for calming little hands and minds.

July 9 at 11 a.m. - String of Planets Craft

This craft lets you carry your favorite planets everywhere.

July 15 at 11 a.m. - Building Telescopes

Create your own telescope and see the vastness of the universe.

July 19 at 10 a.m. - Science Friday: Hydroelectric Wheels

Make your own wind turbine with common household supplies.

August 2 at 11 a.m. - Science Friday: Magnetic Slime

Combine the fun of slime with the science of magnetism. Registration required.

August 9 at 11 a.m. - Science Friday: Hot Ice

Explore all the crazy things you can do with dry ice.

Paddison Memorial Branch Library in Kernersville
248 Harmon Lane, Kernersville, N.C. 27284
(336) 703-2930

Wednesdays at 10 a.m. - Preschool Storytime

Meets weekly in June and July. Ages 3-6. No storytime on July 3.

Thursdays at 10 a.m. - Toddler Storytime

Meets weekly in June and July. Ages 2 and under. No storytime on July 4.

CHILDREN'S SUMMER READING

Programs open to children ages 11 and under unless otherwise stated. Children under 8 must have an adult caregiver present. For more information, please call your local branch library.

June 1 from 10 a.m. to 4:30 p.m. - Star Lab

See the galaxies up close at the mobile Star Lab. Shows every half hour. Last show at 4 p.m. All ages. FCPL would like to thank the Davidson County Public Library and the State Library of North Carolina for this program.

June 1 and July 6 at 10 a.m. - Storytime at the Park

Storytime at the Fourth of July Park in Kernersville (702 W. Mountain St.). Ages 8 and under.

June 4 and July 2 at 6 p.m. - LEGO Storytime

This interactive and hands-on storytime for ages 2-5 is designed to teach kindergarten readiness skills through LEGO play and storytime.

June 7 at 4 p.m.-Sensory-Friendly Film Friday: "Space Jam"

Join us for a free family-friendly movie in a sensory-friendly environment. For all families.

June 17 at 4 p.m. - Wake Forest Museum of Anthropology: American Indian Astronomy

See page 12 for details. A STEAM for Tweens program. Rising students grades 3-5. Registration required.

June 21 at 10 a.m. - Wake Forest Museum of Anthropology: Star Boy- A Blackfoot Legend

See page 10 for details. Registration required.

June 28 at 4 p.m. - Galaxy Crafternoon

Get crafty with these galactic crafts. Ages 5-11. Registration required.

July 5 at 4 p.m.-Sensory-Friendly Film Friday: "Lilo and Stitch"

Join us for a free family-friendly movie in a sensory-friendly environment. For all families.

July 8 at 4 p.m.-Bright Star Theatre: "One Small Step"

See page 9 for details.

July 15 at 4 p.m.-STEAM for Tweens: Galaxy Slime

Monthly STEAM program for grades 3-5. This month, we'll make galaxy slime.

July 19 at 4 p.m. - Galaxy Crafternoon

Get crafty with these galactic crafts. Ages 5-11. Registration required.

July 26 at 10 a.m. - Summer Reading Finale: Mad Science of Central Carolina

See page 9 for details.

Reynolda Manor Branch Library 2839 Fairlawn Dr., Winston-Salem, N.C. 27106 (336) 703-2960

June 13 at 4 p.m. - Attie Salt Theatre - "Greek Myths"

See page 9 for details.

June 20 at 10:30 a.m. - Snakes Alive

Encounter a variety of reptiles, amplify your knowledge of life science and experience an exciting hands-on opportunity.

June 24 at 11 a.m. - Big Bang Boom

See page 9 for details.

June 24 at 6 p.m. - Sun Down Story Time

Cool off and chill out at this evening story time. Ages birth-5.

July 1 at 3 p.m.-Bright Star Theatre: "One Small Step"

See page 9 for details.

July 10 at 10:30 a.m. - Sensory-Friendly Yoga

Practice adapted and traditional yoga stretches in new and exciting ways in this sensory-friendly environment.

July 18 at 3 p.m. - North Carolina Zoo: Animal Stars

See page 10 for details.

July 25 at 3 p.m.-Wake Forest Museum of Anthropology: Star Boy- A Blackfoot Legend

See page 10 for details. Registration required.

July 29 at 6 p.m. - Sun Down Storytime

Cool off and chill out at this evening storytime. Ages birth-5.

Rural Hall Branch Library 7125 Broad St., Rural Hall, N.C. 27045 (336) 703-2970

Mondays at 11 a.m. - Toddler Storytime

Build and experiment with three different kinds of rockets. See which rockets fly the farthest based on the propulsion system and materials used.

July 17 at 3:30 p.m. - Soft Landing

Landing an astronaut safely requires an airbag system. Try to land your own egg-stronaut safely using only a few materials. Ages 10-17.

July 24 at 2 p.m. - Signs of Life

Define what makes something alive and perform an experiment to find signs of life in three cups of sand. Ages 10-17.

July 26 from 5:30-8:30 p.m. - Joint Teen Lock-in with Lewisville

See page 12 for details. Registration required.

Lewisville Branch Library
6490 Shallowford Rd., Lewisville, N.C. 27023
(336) 703-2940

June 13 at 4 p.m. - Money Talk for Teens: Understanding Credit

Learn all you need to know about credit from Amanda Joyce, the branch manager of the Wells Fargo Bank in Lewisville.

June 21 and July 19 at 4:30 p.m. - Teen Anime Club

Watch anime and learn about life in Japan from Nana Watanobe, Japan outreach initiative coordinator. Registration required.

July 11 at 4:30 p.m. - Checklist for College

Come learn what students in grades 9-12 need to do to prepare for college. Presented by the College Foundation of North Carolina.

FEATURED TEEN PROGRAMS

SPACE EXPLORATION

To celebrate the 50th anniversary of the Apollo 11 mission to the moon, the Forsyth County Public Library will be hosting NASA Solar System Ambassadors to bring exciting programs for teens. Registration is required for these programs. To register, contact the library branch of the event you plan to attend.

The Epic Journey of Apollo 11 - NASA Ambassador, Mike Lucas, will give an interactive presentation on the first lunar landing mission. Using models, he will discuss the lift off, voyage, landing, and astronauts' visit to the lunar surface. Registration required.

- June 18 at 4 p.m. - Paddison Memorial Branch Library at Kernersville
- June 19 at 3 p.m. - Central Library (Teen Central)
- July 24 at 3 p.m. - Walkertown Branch Library

A Journey Through the Cosmos - NASA Ambassador, Mike Lucas, will give a tour of the universe, from the sun and its planets, through our home galaxy to some of the most distant objects ever found. Registration required.

- June 26 at 3 p.m. - Walkertown Branch Library

Our Moon - NASA Ambassador, Mike Lucas, will give an interactive presentation on how the moon was formed, the nature of its orbit of the Earth, the various phases of the moon, and other interesting lunar facts. Registration required.

- July 23 at 3 p.m. - Central Library (Teen Central)

The Perilous Journey of Apollo 13 - NASA Ambassador, Mike Lucas, will give a presentation on the 1970 lunar mission, which suffered an explosion that disabled the ship, and left the astronauts and mission control with the task of getting the men home safely. Registration required.

- June 15 at 2 p.m. - Reynolda Manor Branch Library

To the Moon and Beyond - Go on an interactive journey to the moon, build a space colony and get ready to launch for Mars with NASA Ambassador, Annette Horsley. Registration required.

- June 19 at 4 p.m. - Rural Hall Branch Library

Wake Forest Museum of Anthropology: American Indian Astronomy

The sun, moon and stars have great importance to American Indians. Using objects from the collection, learn how different Plains tribes relied on celestial bodies every day. Teens will also use native symbols and a variety of materials to decorate a pouch. This program is for ages 12-17 and registration is required. To register, call the library location of the event you wish to attend.

June 17 at 4 p.m. - Paddison Memorial Branch Library in Kernersville (Tween program for rising students grades 3-5)

June 19 at 3 p.m. - Walkertown Branch Library
June 26 at 3 p.m. - Clemmons Branch Library (ages 10-17)

July 9 at 3 p.m. - Southside Branch Library
July 16 at 4 p.m. - Paddison Memorial Branch Library in Kernersville (Teen program for rising students grades 6-12)

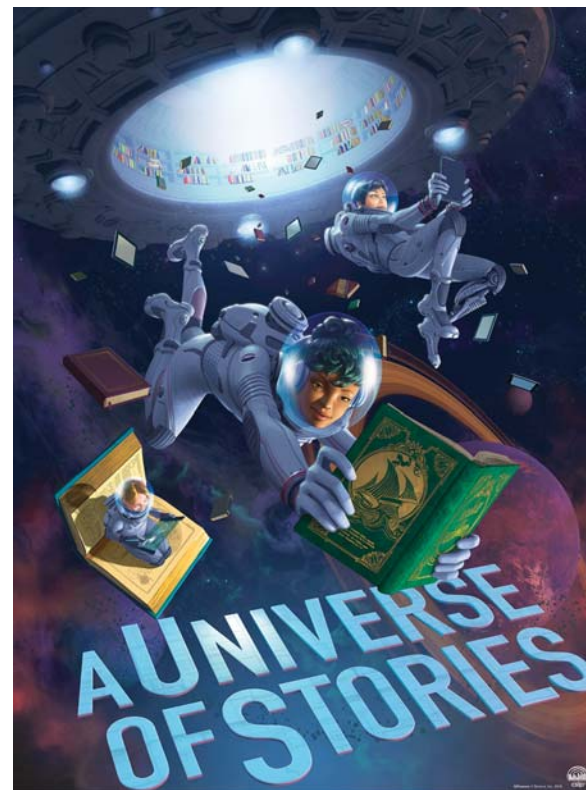

July 17 at 11 a.m. - Central Library (Teen Central)
July 18 at 10 a.m. - Carver School Road Branch Library

Joint Teen Lock-in with Clemmons and Lewisville Branch Libraries

Eat pizza, play space-themed games, and make alien slime from 5:30-8:30 p.m. at the Lewisville Branch Library. Registration and parental-permission slip are required by Thursday, July 25 at 6 p.m. at either the Clemmons or Lewisville Branch Libraries. Program is for rising 6-12 graders and science fiction/space-inspired costumes are welcome. Please contact either the Clemmons or Lewisville Branch Libraries for more information.

- July 26 from 5:30-8:30 p.m. - Lewisville Branch Library

FEATURED CHILDREN'S PROGRAMS

Bright Star Theatre: "One Small Step"

This tale marks the history of flight and space travel, from the ancient tale of Icarus, to the first flights of the Wright Brothers on the beaches at Kitty Hawk, to the Great Space Race of the 1960s and beyond. Aspiring pilots and astronauts will be thrilled to learn about the real life characters that took one small step. All ages.

- June 18 at 11 a.m. - Southside Branch Library
- June 18 at 3 p.m. - Malloy/Jordan East Winston Heritage Center
- July 1 at 11 a.m. - Central Library
- July 1 at 3 p.m. - Reynolda Manor Branch Library
- July 2 at 11 a.m. - Clemmons Branch Library
- July 2 at 2 p.m. - Carver School Road Branch Library
- July 5 at 10 a.m. - Lewisville Branch Library
- July 5 at 3 p.m. - Walkertown Branch Library
- July 8 at 11 a.m. - Rural Hall Branch Library
- July 8 at 4 p.m. - Paddison Memorial Branch Library in Kernersville

Attic Salt Theatre: "Greek Myths"

Greek myths have it all, and Attic Salt's adaptation of some favorite myths will keep you cheering and laughing while you learn about mythology. This show's colorful costumes, innovative stagecraft and silly storytelling antics will keep even the youngest kids engaged. This program is intended for children ages 4-11, but all are welcome to attend.

- June 13 at 11 a.m. - Clemmons Branch Library
- June 13 at 2 p.m. - Central Library
- June 13 at 4 p.m. - Reynolda Manor Branch Library

Balloon Lady

Come watch the Balloon Lady in a loud and energetic performance as she creates amazing things with just balloons.

- June 14 at 10 a.m. - Carver School Road Branch Library
- July 26 at 3 p.m. - Walkertown Branch Library

Big Bang Boom

Featuring parent-friendly, educational children's music by three long-time musicians and dads from Greensboro. They write songs with a pop sensibility that mixes alternative, hip-hop, rock, and country that adults and children of all ages can enjoy.

- June 24 at 11 a.m. - Reynolda Manor Branch Library
- June 24 at 2 p.m. - Central Library
- June 24 at 4 p.m. - Clemmons Branch Library
- June 25 at 10 a.m. - Southside Branch Library
- June 25 at noon - Lewisville Branch Library (Shallowford Square Park)

Mad Science of Central Carolina

Mad Science transforms laboratory science into fun and interactive experiences for children ages 3-12. We're on a mission to inspire children to pursue STEM careers and become the next generation of scientists. (Note: the Rocket Science Workshop at Rural Hall Branch Library is different than the stage show. This workshop is for ages 5-11. Registration required.)

- June 26 at 4 p.m. - Rural Hall Branch Library (Rocket Science Workshop - registration required.)
- July 11 at 2 p.m. - Central Library
- July 26 at 10 a.m. - Paddison Memorial Branch Library in Kernersville
- July 30 at 9:30 a.m. - Lewisville Branch Library

FEATURED CHILDREN'S PROGRAMS

Wake Forest Museum of Anthropology: Star Boy-A Blackfoot Legend

Discover why the sun, moon and stars are so important to American Indians. Using objects from the museum's collection, children will learn about the Blackfoot tribe and other Plains groups. They will also decorate their own tipis using a variety of materials. This program is for children ages 5-11 and registration is required. Please call the library of the event you wish you attend to register.
